Request for Proposal

Fire Hose

The York County Office of Fire and EMS Assistance is soliciting proposals for the potential group purchase of Fire Hose.

Proposers are asked to present proposals for fire hose that meets or exceeds NFPA 1961 (Standard on Fire Hose). Items must be authorized for sale in the State of Maine.

Proposals must include pricing for various types and diameters of fire hose. Include options for various coupling styles and thread types. List accessories and options, such as colors and labeling.

Include prices of those accessories, options, and any incidentals. Include freight/shipping costs and suggest methods to avoid or reduce shipping costs. Price lists must contain pricing for purchase of individual lengths of hose or hose by the foot. Discounted pricing must be offered for the bulk purchase of fire hose. Proposers should include their minimum requirements for bulk purchases.

Pricing must remain valid until June 30, 2021.

Proposals shall include approximate number of days from order to delivery.

These proposals will be used to establish a list of vendors, products, and pricing for use by York County fire departments to order from. Departments may order directly from the list or consolidated purchases may be made.

The county reserves the right to accept or reject any or all proposal at any time for any reason and to waive any formalities.

Deadline for proposals September 1, 2020.
